Using 2 lengths of yarn 101 cm long, make a twisted cord and thread through holes at ankle.

Attach a small tassel to each end of cord.

Instructions for making a simple yarn cord: Get a friend to help and measure off required lengths of yarn. Knot ends together, insert pencil at each end of front of knot between lengths of yarn. Facing each other and holding yarn together between thumb and finger in front of knot, turn pencil clockwise. Continue until strands are tightly twisted, then bring pencils together and allow cord to twist. Remove pencils and knot ends.

To help you keep your handknits looking their best, we recommend Dreft. Dreft is safer than soap powders because it's so gentle.

We shall be happy to deal with your queries if you write to Sarah Bell, Patons & Baldwins Limited, Alloa, Scotland, enclosing a ball band of the yarn specified and a stamped addressed envelope.
